History

Malleshwara Temple is located at Madhugiri Town, Madhugiri Taluk, Tumakuru district. The temple is a large Dravidian structure built inside a spacious *prakara* with a lofty tower at the entrance. In the *prakara* are shrines dedicated to Parvati, Mahishasuramardini, Subramanya, Tandavesvara, Krishna and a Kalyana *mantapa* which is a fine structure supported by four pillars. Rows of linga cells are noticed on the north and south. The porch of the temple has two niches, the one on the left containing a figure of Harihara and the other a Ganapati. On the pedestal of Parvati is a label giving the names of two women who may have set up the image. In this shrine a metallic image of Chowdeshwari, brought from a ruined temple has been kept. The lamp pillar in front about 6 m high has a pavilion on the top for placing lamps.
