

13. ANANTHESHWARA TEMPLE

Place - Anawal

District : Bagalkote
Taluk : Badami
Locality : Anawal

Geo - Coordinates:
Lat : 16.099916° N
Long : 75.473039° E

History

The temple faces east. The main feature of the temple is, it has a garbhagraha and over it another garbhagraha. The lower garbhagraha contains an Ananthasayana sculpture. The upper garbhagraha is smaller than the lower one. The temple is completely renovated. The temple appears to have been built in Indo-Islamic style.
