### History

This temple complex has five small shrines in a row, the Bharamappa temple is the earliest. It consists of a garbhagraha, an antarala and a sabhamandapa. In the garbhagraha is a Parsvanatha image in samabhanga. An inscription on its Pedestal dated 1400 A. D. States that the image was carved by Jinnoja and installed by one Lakshmisena Bhattaraka and the basti was constructed by Laliyadevi, the grandmother of Senararasa. There are four freestanding pillars in the sabhamandapa. Over the garbhagraha is a renovated Kadambanagara or phamsana Sikhara.
