## History

The temple consists of a garbhagraha, an antarala, a sabhamandapa and a mukhamandapa of later date. The garbhagraha contains a Sivalinga. There are four free standing pillars in the sabhamandapa. In the centre of the sabhamandapa is a seated Nandi. The ceiling has a Padma motif. The temple has a Prakara. The entrance of the Prakara is made of black marble stone. In the lalata bimb of the Prakara entrance is a tiny sculpture of Umamahesvara. Over the garbhagraha is a superstructure of vimana type. In front of the temple is a large dry tank
