## History

The Malleshwara temple is located at Aghalaya village in K.R.Pete taluk, Mandya District. The Malleshwara temple is a simple temple but remarkable one. It has three shrines in a line. So it is a trikuta with usual characters. It has three cellas, sukhanasis and halls, each one has Nandimantapa, all connected each other by fusing together. The temple houses three shivalingas and there are fine set of sculpture found placed in the niches of the halls. Umamaheshwara, Ganagapathi, Vishnu, Skanda etc., are found there. The Vimana has little relief sculpture on the outer walls. However, the temple is quite well preserved and recently renovated.
