History

The Mahalingeshwara temple is located at Mavuthanahalli village in Arasikere taluk, Hassan district.

The Mahalingeshwara temple, a Trikutachala, comprises 3 shrines housing the images of Harihara, Narasimha and the main deity Mahalingeshwara, also called Sri-Ballala-Harihara-Narasimeshwara. This small structure has an artistic interior with elegantly executed ceiling panels. Several of the panels are in the form of lotuses with their petals arranged in beautiful colours, which despite time lapse have not faded. Among the well-carved images are the figures of Ganesha, Mahishasuramardini and Kartikeya. Another notable feature is that although the temple is dilapidated the images in it are intact.
