History

Four watch towers are built at each of the cardinal points, which mark, it is said, the limits to which it was predicted the town would extend. The prophecy has not only come true, but now the town has expanded to tens of kilometres on all sides beyond these limits.

The towers are simple constructions consisting of a small four-pillared *mantapa* with a small tower built over it.

The present one is located on the west is near **Gavipur Guttahalli** at the north end of the Kempambudhi tank bund in Bengaluru city.
