History

The Kali Masjid is located in Bidar city, Bidar district.

It has been called the Kali (black) Masjid on account of its trap masonry, which is black in colour. The dome of the mosque rests on a high square base having an open arch on all sides. It has a main square base having an open arch on all sides. It has a main hall with two minarets, their neatly dressed masonry, graceful carving and slim form captive the eye of a visitor. The arches of the façade of the mosque have large spans.
