

07. Basaveshwara Temple

Place – Ulavi

District : Uttara Kannada
Taluk : Joida
Locality : Ulavi

Geo – Coordinates:
Lat : 15.0062 °N
Long : 74.5092°E

History

The temple faces south. It comprises a garbhagraha, a modern sabhamandapa and a mukhamandapa. The temple was renovated by the sonda chiefs. In the garbhagraha is a Sivalings and Nandi. There is a beautiful gateway to the temple. The prangana around is spacious and along the prakara there are rooms, which are recently built. The sikhara is octagonal and has many fine stucco sculptures.
