History

This dvikuta temple faces east. It comprises two garbhagraha, antarala a common sabhamandapa and a mukhamandapa. In the main garbhagraha is a Lakshminarayana sculpture. The doorframe of the garbhagraha is saptasakha. The pedya pinda displays reverie goddesses Ganga and Yamuna. The other garbhagraha contains a sculpture of Surya. Inside the sabhamandapa are four free standing pillars.
