

9. C. Chandramoulishwara Temple

Place - Naregal

District : Gadag
Taluk : Naregal
Locality : Naregal

Geo – Coordinates:
Lat : 15.5751 °N
Long : 75.8007 °E

History

This east-facing temple comprises a garbhagraha and antarala. The garbhagraha contains a Sivalinga. The doorframe of the garbhagraha is of panchashakha order. The lalatabimba contains a tiny Gajalakshmi bimba. The antarala has a pair of freestanding pillars. It is decorated with makaratorna. The temple has an adhisthana. The exterior of the temple is decorated with sthambhapanjara and kostha panjanjara. The superstructure is missing. On stylistic ground the temple may belong to 12th century A. D.
