## History

This temple consists of a garbhagraha, an antarala, a sabhmandapa and a pravesa mandapa. In the lalatabimba of the garbhagraha is a Gaja lakshmi motif. A Sivalinga is enshrined in the garbhagraha. Sculptures of Nandi, Saptamatraka panels and Mahisha mardini are in the antarala. The sabhmandapa and the pravesamandapa are constructed later.
