History

The Mule singeshwara Temple is located at Belur village in Nagamangala taluk, Mandya District. The temple is considerably small with, simple non ornate Hoysala style. It has Kadamba Nagara Shikhara or three stepped pyramidal towers. It is a trikuta structure. It is enshrining idols of Venugopala, Shiva and Lakshminarayana. The doorways of the temple are well decorated. The Navaranga has ornate bell shaped pillars, the Navaranga ankanas are designed separately with geometrical forms. The mukhamantapa of the temple has fluted pillars and a large Hoysala inscription is also found there.
