History

This east-facing temple comprises a garbhagraha, antarala sabhamandapa and a modern mukha mandapa. In the garbhagraha is a Sivalings. The ceiling has a plain relief of Padma. The doorframe of the garbhagraha is trisakha. In the lalatabimba of the door frame of the garbhagraha is a tiny Ganesha motif. The antarala ceiling has a plain relief of Padma. The sabhamandapa has four freestanding pillars. There are eight devakosthas in the sabhamandapa. The renovated mukhamandapa stands on a high platform. The temple may have been built in the 13th centuryA. D.
